

Reviewer: A short running title of less than 6 words should be provided.

Response: Provided short running

Reviewer: Please offer the postcode! Thank you!

Response: Added the postal code to the corresponding author mailing address

Reviewer: In order to improve the quality of Case Report manuscripts, authors should download and complete the 'CARE Checklist (2016)' of information to include when writing a case report' to ensure that the manuscript meets the requirements of the CARE Checklist (2016). Authors must state on the title page of the manuscript that the guidelines of the CARE Checklist (2016) have been adopted (see below). Authors must upload the PDF version of the completed checklist to the system.

Response: Added CARE Checklist as requested

Reviewer: Please write a summary of no more than 100 words to present the core content of your manuscript, highlighting the most innovative and important findings and/or arguments. The purpose of the Core Tip is to attract readers' interest for reading the full version of your article and increasing the impact of your article in your field of study.

Response: Added CORE Tip as requested

Reviewer: Please offer the audio core tip, the requirement are as follows:

In order to attract readers to read your full-text article, we request that the first author make an audio file describing your final core tip. This audio file will be published online, along with your article. Please submit audio files according to the following specifications:

Acceptable file formats: .mp3, .wav, or .aiff

Maximum file size: 10 MB

To achieve the best quality, when saving audio files as an mp3, use a setting of 256 kbps or higher for stereo or 128 kbps or higher for mono. Sampling rate should be either 44.1 kHz or 48 kHz. Bit rate should be either 16 or 24 bit. To avoid audible clipping noise, please make sure that audio levels do not exceed 0 dBFS.

Response: Added CORE Tip audio as requested

Reviewer: The reference numbers should be superscripted in square brackets at the end of the sentence. Please revise all. Thank you !

Response: Fixed all reference numbers as requested

Reviewer: Under the heading of Case Presentation, the following seven aspects must be presented in this order: 1) Chief complaints; 2) History of present illness; 3) History of past illness; 4) Personal and family history; 5) Physical examination upon admission; 6) Laboratory examinations—e.g., routine blood tests, routine urine tests and urinary sediment examination,

routine fecal tests and occult blood test, blood biochemistry, immune indexes, and infection indexes; and 7) Imaging examinations—e.g., ultrasound, plain abdominal and pelvic CT scan, high-resolution chest CT scan, and head MRI. The patient case presentation should be descriptive, organized chronologically, accurate, salient, and presented in a narrative form. Please add subtitles for this section.

Response: Restructured Case Presentation into segments as requested

Reviewer: Please write this section. Thank you.

Response: Added Final Diagnosis section as requested

Reviewer: Please write this section. Thank you.

Response: Added Treatment section as requested

Reviewer: Please write this section. Thank you.

Response: Added Outcome and Follow-up section as requested

Reviewer: Please provide the decomposable figure, whose separate parts are movable and arrows can be edited. Thank you.

Response: Fixed and attaching ppt document in case arrows need to be moved.

Reviewer: Please add PubMed citation numbers and DOI citation to the reference list and list all authors. Please provide PubMed citation numbers for the reference list, e.g. PMID and DOI, which can be found at <http://www.ncbi.nlm.nih.gov/sites/entrez?db=pubmed> and <http://www.crossref.org/SimpleTextQuery/>, respectively. The numbers will be used in the E-version of this journal. Thanks very much for your co-operation.

Such as: 1 Nayak S, Rath S, Kar BR. Mucous membrane graft for cicatricial ectropion in lamellar ichthyosis: an approach revisited. *Ophthal Plast Reconstr Surg* 2011; e155-e156 [PMID: 21346670 DOI: 10.1097/IOP.0b013e3182082f4e]

Response: Added all PubMed and DOI numbers to all applicable references. Also, listed all authors for references.

Reviewer: Please provide the decomposable figure, whose separate parts are movable and arrows can be edited. Thank you.

Response: Provided the decomposable figure. Also, provided supplement with powerpoint documents with figures in it in case arrows need to be edited.

Reviewer: Please provide the decomposable figure, whose separate parts are movable and arrows can be edited. Thank you.

Response: Provided the decomposable figure. Also, provided supplement with powerpoint documents with figures in it in case arrows need to be edited.
