

Dear Editor:

Thank you very much for your letter and suggestions on our manuscript. We have revised it as required. As for the problems in the article, our responses are as follows:

1. Response to reviewer #1

Comments: After a minor editing, this manuscript can be accepted.

Response: The manuscript has been revised.

2. Response to reviewer #2

Comments 1: There are some minor language polishing which require a minor editing.

Response 1: The article has been linguistically polished.

Comments 2: The data in results are well discussed, however, the references should be updated.

Response 2: The references have been updated.

Comments 3: The figures are good; however, the images should be updated with high resolution ratio images.

Response 3: The image has been changed.

3. Response to editorial comments:

Comments 1: Please provide the original figure documents.

Response 1: I have submitted the original figure documents to the editorial office.

Comments 2: Please prepare and arrange the figures using PowerPoint to ensure that all graphs or arrows or text portions can be reprocessed by the editor.

Response 2: I have added the copyright information to the bottom right of the image.

Comments 3: Authors are required to provide standard three-line tables.

Response 3: I have modified the chart as requested.

Comments 4: Before final acceptance, when revising the manuscript, the author must supplement and improve the highlights of the latest cutting-edge research results.

Response 4: I have revised and added to the article.

We look forward to your reply.

With all my best wishes!
