**Re: Submission of a Revised manuscript to the World Journal of Gastrointestinal Surgery**

Thank you very much for giving us the opportunity to revise our invited review (Manuscript number :84523)

We would be grateful for the consideration of our revised manuscript “ Is endoscopic mucosal resection-precutting superior to conventional methods for removing sessile colorectal polyps?” for publication in the World Journal of Gastrointestinal Surgery (by Qunying Yang, Qian Zhao, Jian-Wen Hu)

The authors have read and complied with author guidelines, and they all have seen and approved this manuscript for publication. None of the authors had a conflict of interest to disclose concerning this manuscript.

We are grateful to the Editors for their precious contributions and comments. We have revised our manuscript accordingly for grammar, style, structure and we hope that you will now find it suitable for publication in the **World Journal of Gastrointestinal Surgery**. In case of final acceptance, we agree to make this manuscript open-access.

Below you can find a point-by-point reply to the reviewers.

Thank you for your precious time.

We are looking forward to receiving your decision in due time.
