To,  
The Editor  
World Journal of Stem Cells

Sub: Revised submission of the review paper (15519)

Dear Editor,

We are hereby pleased to resubmit our revised invited review entitled **“Hepatic stem cells: A viable approach for the treatment of liver cirrhosis”** authored by Dr. Md. Aejaaz Habib, Sandeep Kumar Vishwakarma, Avinash Bardia and Aleem Ahmed Khan for consideration of publication in your esteemed journal. All other authors have read the review and have agreed to submit it in its current form for consideration for publication in the journal.

Changes have been made as per the reviewer's suggestions and highlighted in yellow throughout the manuscript.

Kindly acknowledge the receipt of the same.

Thanking You

Yours Sincerely

**Dr. Md. Aejaaz Habib**

Professor
