### **SPECIFIC COMMENTS TO AUTHORS**

The paper submitted is interesting because of the smallness of papers previously conducted about the topic. Even if we are talking about a single case report (that does not allow the processing of a statement or a recommendation to follow for the readers) we recommend the publication of the paper.

#### **Answer:**

On behalf of the entire team, we would like to thank the reviewer for his time in reviewing our article and for the written words.

### **SPECIFIC COMMENTS TO AUTHORS**

Dear Authors, Your case report is interesting and well written. Since ESG is quite a new procedure, it is really useful to describe all possible complications and discuss how to prevent them. Sincerely

#### **Answer:**

We would like to thank the reviewer immensely for the time he has spent in reading and evaluating our article.
