

The authors thank the Editor and the Reviewers for their observations that have allowed us to improve the manuscript.

The article has been revised according to the Editor's instructions:

- The authors provided a language editing certificate that will verify that the language of the manuscript has reached Grade A;
- Copyright License Agreement: I added a written sign;
- I have provided a short title of less than 6 words;
- I added the post code;
- I added the ORCID number;
- I created an audio file that describes my final core tip;
- I have reformatted all the reference numbers;
- I added the PubMed citation numbers and the DOI citation to the reference list and I listed all the authors.

The article has been revised according to the Reviewers' indications:

- Other co-morbidities have been added which play an important role in the development of HCC (yellow);
- The number of references has been reduced and auto-citations have been eliminated;
- Other relevant reports (in yellow) have been included.
