

Dear editor

Thank you for giving us the opportunity to revise our article per the reviewers' comments. Thank you once again for our reviewers their valuable comments improved the quality of the work.

Please find attached our response to each point raised by the respected reviewers.

Reviewer comments	Response	Comments
Reviewer 1		
A word of recommendation about the need to standardize the criteria for gall bladder wall thickness for these patients is necessary in your conclusion. Also a ROC curve is required.	Done	Highlighted within the manuscript
Attached word file with many comments	Done	Highlighted within the manuscript
Reviewer 2		
No ,doesnot need it as it is well, concisely and coherently organized and presented	Well received	Thank you
Attached word file	Not changes required	Thank you
