

Milano, September 8th 2015

Dear Editor,

Please find enclosed the edited manuscript in Word format (file names: HDV Romeo.doc; Figures.ppt).

Title: Hepatitis Delta Virus: making the point from virus isolation up to 2014

Authors: Raffaella Romeo MD, PhD and Riccardo Perbellini PhD

Name of Journal: World Journal of Hepatology

ESPS Manuscript No: 16868

The manuscript has been improved according to reviewers' suggestions. In particular all changes made to the manuscript, references and legend to figures have been highlighted according to the peer reviewers' comments as requested. Moreover we rewrote all those parts of the manuscript in which a high similarity index with primary sources was detected:

1. Format has been updated as requested
2. References and typesetting have been carefully revised
3. Figures were saved in ppt format
4. Legend to figures was expanded as requested

Thank you again for publishing our manuscript in the World Journal of Hepatology.

Sincerely yours,

Raffaella ROMEO, MD, PhD
