

## ANSWERING REVIEWERS

Dear Editor,

Please find enclosed the revised version of our manuscript entitled "Hepatitis C Virus (HCV) Infection in Argentina: Burden of Chronic Disease" for your consideration for publication in *World Journal of Hepatology*.

**Reviewer 03020777** made no comments. Some minor comments were answered in the revised version and highlighted.

- (1) Answer to reviewer: Patients were stratified according to age every 5 years up to 60 years old. Patients older than 60 were not stratified by 5 years. Were considered as one category.
- (2) Reviewer ask for more details in this figure. We are only showing the estimated number of viremic patients.

**Reviewer 02542026** made some comments and were added in the revised version.

We look forward to hearing from you on the progress of the revised version our manuscript submission.

Best regards,

Ezequiel Ridruejo MD.
