

Dear Editor,

On behalf of all authors, I would like to thank you for the positive comments on our manuscript. Changes were made as suggested according to the reviewer comments and highlighted in the manuscript. Following are in detail our replies to the comments.

Reviewer 1.

Suggestions have been addressed. The authors cannot provide quality illustrations of bariatric procedures since are not available.

Reviewer 2.

Both comments have been addressed with changes in conclusions, core tips and language as suggested.

Reviewer 3.

The authors have made changes to the manuscript according to the suggestions. Older citation ratio has been ameliorated.

Thank you very much for your interest in our work.

Sincerely

Maria Gazouli, Associate Professor
School of Medicine, National and Kapodistrian University of Athens, Greece
