

ANSWERS TO REVIEWERS

Dear Reviewers,

I thank you of the comments.

I submit you the answers to yours comments (inserted words in yellow):

- Page 1/16: I added the **ORCID** of the Authors
- Page 2/16: Reviewer1: Comment3: **To amend the article as per journal guidelines to be published: "giulio.barbiero@aopd.veneto.it" -> "giulio.barbiero@aopd.veneto.it"**
- Page 4/16: Case presentation: Chief complaints: I added **"hyperlipidemia"**
- Page 5/16: Reviewer2: Comment2: **The results of ECG were described:** I added **"[with minimal alterations in lateral repolarization]"**.
- Page 6/16: Reviewer2: Comment3: **An attractive figure of the case was inserted to beginners and professionals:** (Figure 1).
- Page 6/16: Reviewer2: Comment1: Treatment: **I added more detailed instruction on the therapy: "(rosuvastatin 5 mg per day)"**
- Page 7/16: Reviewer1: Comment3: **Polishing "In none of the cases was presence of significant coronary artery stenoses or mild atherosclerotic plaques indicated"**. I added: "there" and "were".
- Page 10/16: References: Reference 23: I changed PMID and DOI in **"[PMID: 34714465 DOI: 10.1007/s10554-021-02451-5]"**
- Page 13/16: Figure 1: **Polishing.** I changed "atria" in "atrium".
- From page 14/19 to page 19/19: Table 1: **To amend the article as per journal guidelines to be published:** I inserted NS, NR and UNK where they were lacking
- From page 14/19 to page 19/19: **To amend the article as per journal guidelines to be published:** Table 1: NR, NS and UNK were used.
- Page 19/16: **To amend the article as per journal guidelines to be published: I added: "hyperlipidemia"**

Best regards,

Giulio Barbiero, MD
