

Dear Editor,

Name of journal: World Journal of Cardiology

ESPS Manuscript NO: 11668

Infant with Cardiomyopathy: When to suspect inborn errors of metabolism?

Stephanie L. Byers MS and Can Ficicioglu MD, PhD

Thank you for your comments/criticisms. We have edited the paper based on your suggestions:

- 1- We added the zip code
- 2- We added the author contributions
- 3- We added the key words as requested
- 4- We added the core tip.
- 5- The references (7-9) were in the text so we did not change it. References 7 and 8 were listed in the text- Patient 2 . The reference 9 was listed in the discussion of the patient 3.

We hope that the paper will be accepted for publication.

Best regards,

Can Ficicioglu MD, PhD
