- The figures are in decomposable format in a Power Point file

2- Revision has been made according to the comment of the reviewers

(1) Response to comments **Reviewed by 01204088**

- In the legend of Figure 2, the number (14) was a typo error that has been erased.
- The suggested reference for review by Odiete et al(Circ Res 2012;111;1376-1385.), was appreciated and included in the revised version. The reference for the article by Garcia-Rivello H and Hertig CM(Am J Physiol Heart Circ Physiol 2005;289:H1153-H1160.), was already mentioned in the submitted article.

(2) Response to comments **Reviewed by 00234688**

- The reviewer requested minor language revision, which has been addressed by the authors to clarify a concept. The manuscript language has been revised by editors at the American Journal Editors (www.aje.com), whose certificate of language acceptance is included within the submission of the revised review manuscript.

3- References were modified by including the full list of authors when required, and by adding the PubMed PMID number and DOI extension.

The authors are grateful to the reviewers' and to the editor's suggestions, whose positive comments have contributed to the amelioration and the clarification of the manuscript in its revised version.

Thank you again for publishing our manuscript in the *World Journal of Cardiology*.

Sincerely yours,

A handwritten signature in blue ink, appearing to read 'C. Hertig', with a stylized flourish at the end.
