World Journal of Cardiology

Manuscript NO: 20882-Revision

Manuscript Type: CASE REPORT

Late Endocarditis of Amplatzer Atrial Septal Occluder Device in a Child

Sir,

Thank you very much for your kind review of our manuscript. We have revised the manuscript as per valuable suggestions and following are the changes in order of suggestions-

1. Title of the journal written in the page 1.
2. Departmental/Institutional review statement, conflict of interest and copyright statement duly signed by all the authors and attached.
3. Corresponding author's details and phone and fax numbers written appropriately.
4. Audio file of core tip attached.
5. Pubmed citation numbers and DOI citation written in the references where ever it was possible to retrieve from the 'pubmed' as per availability.
6. Desired format of pictures attached as per instruction in a power point format and image can be decomposed.

Sincerely,

Neerod K Jha
