

RESPONSE LETTER

Name of Journal: World Journal of Cardiology

ESPS Manuscript NO: 34301

Title: Cardiac magnetic resonance imaging: which informations are useful for the arrhythmologist?

Authors List: Elia De Maria, Annachiara Aldrovandi, Ambra Borghi, Letizia Modonesi and Stefano Cappelli

Affiliation: Cardiology Unit, Ramazzini Hospital, Via Molinari 1, Carpi (Modena), Italy, postcode 41012.

Corresponding author: Elia De Maria, MD, PhD, Chief of Arrhythmology Lab, Ramazzini Hospital, Via Molinari 1, 41012, Carpi (Modena), phone +39059659320, fax +39059659387 e-mail: e.demaria@inwind.it

POINT-BY-POINT RESPONSE

1) A copy of the **revised manuscript** has been submitted.

2) **Answering reviewers.**

a) Reviewer 00607640. Classification: Grade B (very good). Language evaluation: Grade A (priority). Conclusion: Accept. Comments to authors: In this manuscript, the author reviewed the applications of Cardiac Magnetic Resonance in diagnostic and prognostic evaluation of arrhythmic risk and in therapeutic decision-making. It is suitable to the Journal and could be helpful in the management of patients with arrhythmological conditions. *RESPONSE TO REVIEWER: We agree.*

b) Reviewer 02874819. Classification: Grade C (good). Language evaluation: Grade B (minor polishing). Conclusion: minor revision. Comments to authors: The manuscript is very interesting, but it is not very easy to read. Moreover, it should be revised by english native. *RESPONSE TO REVIEWER: We have revised and improved our English language at our best.*

3) **Copyright assignment.** It has been submitted with the other required documents.

4) **Audio Core Tip.** It has been submitted with the other required documents.

5) **Conflict-of-interest statement.** Submitted with the other required documents. The authors report no relationships that could be construed as a conflict of interest.

6) **Google Scholar.** We checked the title and stored a screenshot of the results.

7) **Grant Application form.** The manuscript is not supported by any foundation.

8) **Language certificate.** Even if I was born in Italy I am a Native Speaker of English as it was usually spoken in my family since I was born.
