

Dear Xiu-Xia Song,

Thank you for your response to my manuscript, entitled A Concise Review on the Safety of Exercise on Symptoms of Lymphedema. I have completed all requested revisions to this paper. My responses to each comment are below.

1. **Please highlight the changes made to the manuscript according to the peer-reviewers' comments.** This change was made.
2. **A short running title of no more than 6 words should be provided.** This change was made.
3. **Please give the postcode. Thank you!** This change was made.
4. **All the authors' work should be given in this section. Thank you!** This change was made.
5. **This file must be signed by the corresponding author and provided in a PDF format, and the statement must also be mentioned as a footnote in the manuscript text.** This change was made.
6. **Only one corresponding address should be provided. Author names should be given first, then author title, affiliation, the complete name of institution, city, postcode, province, country, and email. Thank you!** This change was made.
7. **Telephone and fax should consist of +, country number, district number and telephone or fax number, e.g. Telephone: +86-10-59080039, Fax: +86-10-59080039.** This change was made.
8. **Please write a summary of no more than 100 words to present the core content of your manuscript, highlighting the most innovative and important findings and/or arguments. The purpose of the Core Tip is to attract readers' interest for reading the full version of your article and increasing the impact of your article in your field of study.** This change was made.
9. **The number of references should appear in order, [5] should not appear before [1-4], please revise. Thank you!** This change was made.
10. **Please delete et al, and list all authors' names. Thank you!** This change was made.

Please let me know if any further information is needed at this time.  
Thank you.

Sincerely,

Karen Wonders, Ph.D., FACSM
