

Dear Editors,

We hereby submit our revised article entitled “Advanced oropharyngeal squamous cell carcinoma: pathogenesis, treatment, and novel therapeutic approaches”. We have made the requested formatting changes and included the requested documents. Index is as follows

21677- Revised manuscript

21677- Answering reviewers

21677- Copyright assignment

21677- Audio core tip

21677- Conflict of interest statement

21677- Google scholar

We reviewed the list of required documents and noted the request for a screen shot of a CrossCheck search. Per email communications, as this was a solicited review we will not pay for plagiarism screening. We are more than happy for your publishing company to run such a search on our manuscript but we will not incur the cost.

Please let us know if you have any further questions.

Paul Swiecicki, M.D.
