

ANSWERING REVIEWERS

June 25, 2013

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: adipocytokines and psoriasis_WJD3906_edited.doc) **ID 00504152/Editorial Board Member.**

Title: Adipocytokines and psoriasis: Insights into mechanisms linking obesity and inflammation to psoriasis.

Author (first name followed by last name): Maria Dalamaga, Evangelia Papadavid

Name of Journal: *World Journal of Dermatology*

ESPS Manuscript NO: 3906

We would like to thank our Reviewers for finding the manuscript very good, well organized, written and discussed and, above all, that it provides an important contribution to the scientific community that deals with psoriasis.

Since we did not receive any specific comments from our 3 reviewers, we improved and updated the format as well as the references (we inserted the doi data where applicable) and typesetting. Please see the highlighted parts along with appropriate comments in the edited manuscript. **REVISED.**

Thank you again for publishing our manuscript in the *World Journal of Dermatology*.

Sincerely yours,

A handwritten signature in black ink that reads 'Maria Dalamaga' followed by a long, sweeping horizontal line.

Maria DALAMAGA, MD, MSc, MPH, PhD
