

## ANSWERING REVIEWERS

21 November 2015

Dear Editor,

Please find attached the edited manuscript in word format (file name: 21511-Revised Manuscript, WJN, November 2015, Jaster).

**Title:** Medicine in the future - with subspecialists in Medullary Neurology and Brain Dentistry

**Author:** J Howard Jaster

**Name of Journal:** *World Journal of Neurology*

**ESPS Manuscript NO:** 21511

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated.

2 Revision has been made according to the suggestions of the reviewers:

(1) 00646395

No changes requested.

(2) 00646452

“Author also coined new words like ‘Brain Dentistry’ and ‘Medullary Neurology’. Thus, readers may not understand what the author means.”

Definitions were added to the sections of the paper titled MEDULLARY NEUROLOGY and BRAIN DENTISTRY.

“This reviewer suggests that author had better review the recent advance in sudden death research and add little bit his opinion on the future medicine.”

A new section was added to the paper titled RECENT RELEVANT RESEARCH. It includes 3 new paragraphs and 4 new references. Some of this material was published after I submitted my manuscript on 16 July 2015.

3 References and typesetting were corrected.

Small scattered (purple print) adjustments in wording were made to accommodate the changes made in response to Editors and Reviewers.

Thank you very much for publishing our manuscript in the *World Journal of Neurology*.

Sincerely yours,  
J Howard Jaster
