

December 11, 2014

Dear Editor,

Please find enclosed the edited manuscript in Word format (file name: revised-14257-edited.doc).

Title: Prevention and management of fractured instruments in endodontic treatment

Author: Weirong Tang, Roger J Smales, Huifeng Chen, Xiaoyu Guo, Haiyan Si, Liming Gao, Wenbiao Zhou, Younong Wu

Name of Journal: *World Journal of Surgical Procedures*

ESPS Manuscript NO:14257

The manuscript has been improved according to the suggestions of reviewers:

1 Format has been updated

2 Revision has been made according to the suggestions of the reviewer

(1) This manuscript contains no table or figures. The authors should try to add some tables (for comparison of results in different studies) and figures to improve manuscript presentation.

(2) The authors may show some clinical cases with fractured instruments that are successfully treated by different methods.

3 References and typesetting were corrected

Thank you again for publishing our manuscript in the *World Journal of Gastroenterology*.

Sincerely yours,

Weirong Tang
