Dear Professor Ma,

Thank you for considering the manuscript entitled '*Autonomic function and ventricular tachyarrhythmias during acute myocardial infarction*' for publication in the *World Journal of Experimental Medicine* as an **editorial**.

I would like to submit a revised version of the manuscript, which addresses all points that were raised during the review process.

I hope that the changes will be deemed satisfactory and that you will find the revised manuscript suitable for publication in the *World Journal of Experimental Medicine*.

Yours sincerely,

  
Theofilos M Kolettis, M.D., Ph.D.
