Dear Dr Fang-Fang Li,

Please find enclosed the revised version of the review manuscript “Gene Regulatory Networks in Atrial Fibrillation” by Diego Franco, Estefania Lozano-Velasco and Amelia Arenega, submitted for publication to the World Journal of Medical Genetics. We have adapted the manuscript to the comments of the Editor (there were no reviewer’s comments to be re-edited) and we have included herein also all the requested materials (isolated figures, audio core tip, signed CTA, plagiarism check using Ephorus platform and Google Scholar, non-native English speaker letter and signed letter of co-author’s conflict of interest).

I hope this will provide you will all the requested material to be published on the World Journal of Medical Genetics.

If you need any further information, please do not hesitate to contact me.

Sincerely yours, Diego.

Diego Franco
