

Dear Reviewer #1,

Thank you for your thoughtful review of our manuscript. We appreciate your feedback and have carefully addressed each of your comments:

Language Quality: We have conducted a thorough language editing of the manuscript to ensure that the language is polished and the expressions are more precise. We believe this has significantly improved the overall quality of the manuscript.

Manuscript Format: We have updated the format of the manuscript to align with the journal's guidelines. All sections, headings, and references have been adjusted accordingly.

Images: We have revisited the images in the manuscript and have made improvements as suggested. The updated figures have been included in a PowerPoint presentation, making them easily editable.

We hope that these revisions address your concerns and improve the overall quality of the manuscript. If you have any further comments or suggestions, please do not hesitate to let us know.

Thank you for your time and consideration.

Sincerely,

Juan Liu
