

Dear Editor-in-Chief and reviewers,

We would like to thank you for your comments. We agree with all your suggestions:

1) We have included a table summarizing the pathophysiology of the most common electrolyte disturbances in COVID-19.

2) We have included a figure summarizing the pathophysiological mechanisms of acute kidney injury in COVID-19.

3) We have reviewed and improved the content of the manuscript. All new phrases are highlighted (in red).

4) We have performed an additional English review, as requested by the Editor. We have attached a certification.

Thank you all. We will be happy to perform any additional revision.

Best,
