

Response to reviewers

Reviewer 1

1. I have added a mention in title for general population
2. I have changed the abstract. Key words were verified according to MSH in PUBMED.
I have also cared the Core tip.
3. I have added the graph/figure 1 for introduction information.
4. I have done the graph/figure 2.
7. I have renewed the references 10, 19, 20, 28, 29, 37, 49, 69 and 70.
8. I have added the table 1 with dietary recommendations and graph/figure 4.
9. I went through the paper for misspelling
10. Thank you for your comments

Reviewer 2

1. I have redone the abstract and Core tip
2. I have changed the turn of sections as 3, 1, 2 and I have done the figure 3.
3. I have noted 2 ongoing Clinical trials, thank you very much.
4. I have added about the role of PTH and vitamin D in introduction.
5. Indeed, I have changed the dietary phosphorus recommendations.
6. I have added a conclusion in each section 3, 1, 2 and I tried to separate the studies in different paragraphs.
7. I was more careful in my English and I replaced the word enclosed by enrolled.

All changes are noted by yellow.
