**Re: Constitutive renal Rel/NF- κ B expression in Lewis polycystic kidney disease rats,
Basic Study, Manuscript No. 24818**

Dear Dr. Ji,

Thank you for your review of our manuscript "Constitutive renal Rel/NF- κ B expression in Lewis polycystic kidney disease rats" for publication in *World Journal of Nephrology*.

We thank the reviewers for their comments and suggestions.

Please find an edited version of our manuscript with the changes highlighted:

- The institute postcodes have been provided.
- The references have been modified according to the *World Journal of Nephrology* style, with PMID and DOI numbers included.
- In the figure legends, and within the figure images, the indicators of significance have been changed from asterisks to letters as requested.
- In the figure legends, additional figure titles have been provided where requested.
- Supplementary Figure 1 has been renamed as Figure 14.
- Figure 14 has been renamed as Figure 15.
- The Comments section (background, research frontiers, Innovations and breakthroughs, applications and technology) has been included as requested.
- The manuscript has been provided as a Word document as requested.

We hope that these adjustments meet the Journal's requirements and look forward to your response.

Yours sincerely,

Michelle Ta, Kristina Schwensen, David Liuwantara, David L. Huso, Terry Watnick,
Gopala K. Rangan
