Dear reviewer,

We are glad for the great evaluation and for your comments about our manuscript. Your suggestions were followed and marked **yellow** in the file:

1. The state of the art of the main problem of article was better addressed in the introduction;
2. Was added in methodology the two articles that used in the revision;
3. The conclusion was improved, indicating what the scientific contribution is and proposing a set of lines of work.

Best regards,

Fabício Freire de Melo
