Answering reviewers

Thanks a lot for reviewing our manuscript and providing us with valuable suggestions. All the modifications have been made as per your instructions which are as follows:

1. The title has been rephrased.
2. The suggested content has been added in the paragraphs about HPV, miRNA and MAGE. The respective references 65, 80 and 111 have been added accordingly.
3. A paragraph on association of loss of function of DNA repair genes has been added at the end before conclusion and references have been updated accordingly.

Changes suggested by the Editor:

1. PIN has been added in the address.
2. Phone number has been put in appropriate format.
3. Duplicate references have been replaced.
4. All the changes have been highlighted with yellow colour.

Thanks a lot.
