

**Response Letter to Peer Reviewers Comments:**

1. Minor language polishing (reviewer code 03065412) – entire article was edited, improving the language and grammar
2. Misunderstood sentence (reviewer code 00505410) – sentence removed for clarification
3. Lack of hypothesis (reviewer code 03065771) – scientific hypothesis inserted at end of introduction
4. Use of % (reviewer code 03065771) – all percentages replaced by raw patient number plus proportion
5. Study limitations (reviewer code 03065771) – study limitations inserted at end of discussion
6. Conclusion revision (reviewer code 03065771) – conclusion re-written, focus on providing take-home message to readers
7. Editors suggestions – all edits in document acted upon appropriately and completed to recommended standard

**Answer to chief editor:**

Thank you for your recommendations. I have included the suggested images in the revised manuscript and attached these to this email for your review. Please advise if you require any further modification before publication.

Kind regards,  
Cal Robinson
