

Consent form for Figure

Title: **Strategies to manage the difficult colonoscopy**

Authors: Mike T. Wei, Shai Friedland

- (1) I agree to publish the figure (see below) in World Journal of Gastrointestinal Endoscopy in the form of print or online publication, and allow the journal to authorize a third party to copy the materials
- (2) I understand that the official website of World Journal of Gastrointestinal Endoscopy may be accessed by the public although it is a professional medical journal mainly for doctors, but the published paper will not be used for advertising or packaging into economic benefits;
- (3) I can revoke my consent at any time before publication, but once the information has been submitted for publication (“gone to press”) it will not be possible to revoke the consent.
