<input type="checkbox"/> Grade D: Fair		
<input type="checkbox"/> Grade E: Poor	<input type="checkbox"/> Grade D: Rejected	<input type="checkbox"/> Rejection

### JOURNAL EDITOR-IN-CHIEF (ASSOCIATE EDITOR) COMMENTS TO AUTHORS

The article is much too long. The parts indicated in yellow can easily be deleted without loss of information.

The authors should integrate the three sections on When to start, When to change and When to stop treatment. Each of these sections should beshortended by at least 50% without loosing information.

It is known to me that MS is largely untreatable what so ever.
