<input type="checkbox"/> Grade C: Good	<input type="checkbox"/> Grade C: A great deal of language polishing	<input type="checkbox"/> Revision
<input type="checkbox"/> Grade D: Fair	<input type="checkbox"/> Grade D: Rejected	<input type="checkbox"/> Rejection
<input type="checkbox"/> Grade E: Poor		

### JOURNAL EDITOR-IN-CHIEF (ASSOCIATE EDITOR) COMMENTS TO AUTHORS

I have carefully read the attached manuscript. This is a very nice and interesting overview. In a final summary the authors should come upwith a table indicating which (PRP, PRF etc etc) applications are still experimental and not yet reached suitable and which are applicable and suitable at the level of evidence medicine.

The discussion is much too long and should be shortened by kicking out duplications.
