### JOURNAL EDITOR-IN-CHIEF (ASSOCIATE EDITOR) COMMENTS TO AUTHORS

The manuscript has some obvious grammatical errors that need to be corrected (please proofread). Also, authors need to check the formatting and labeling of the tables for consistency. For example, some of the tables use “n” and the others use “No.” (Some of the tables have both “n” and “No.” in the same table). The first paragraph of the Introduction section has some errors: 1) The numbers cited in the first sentence are for worldwide not for United States.; 2) the annual incidence rates cited in the second sentence should be for patients with liver Cirrhosis not for general population. Incidence rates in general population range from 3 to 40 per 100,000 persons according to Ref #1.
