### JOURNAL EDITOR-IN-CHIEF (ASSOCIATE EDITOR) COMMENTS TO AUTHORS

This is an interesting article of case study of delayed perforation after ESD procedure. This article has been summarized about management and treatment of delayed perforation and it is well written. However, the small numbers, such as whole numbers smaller than ten, should be spelled out. This article should accept after minor revision in World Journal of Gastrointestinal Endoscopy.

**Answer:**

Thank you for reviewing our manuscript. We have revised our manuscript as your pointed.
