### JOURNAL EDITOR-IN-CHIEF (ASSOCIATE EDITOR) COMMENTS TO AUTHORS

The presented review article is of interest for the readers of WJH and well written. The language meets the requirements for publication. The authors successfully implemented the criticisms and comments raised by the reviewers in the revised version of manuscript. However, there is a minor error on page 3, chapter "CHAOS THEORY AND BIOLOGICAL SCIENCES", first sentence, which is incomplete "Chaos is the science of surprise, of nonlinearity and of. " this should be corrected.
