<input type="checkbox"/> Grade E: Poor		

JOURNAL EDITOR-IN-CHIEF (ASSOCIATE EDITOR) COMMENTS TO AUTHORS

The presented review article and update on HDV-infection is of high interest for the readers of WJH and very well written. The authors successfully implemented the minor criticisms and comments raised by the reviewers in the revised version of the manuscript. The language meets the requirements for publication. I have no additional comments. For that I consider accepting the revised manuscript for publication in World Journal of Hepatology as it is.
