<input type="checkbox"/> Grade E: Poor		

JOURNAL EDITOR-IN-CHIEF (ASSOCIATE EDITOR) COMMENTS TO AUTHORS

Thank you for doing the revisions on this manuscript. I have some additional comments which should be addressed. 1. What is the manuscript type the authors aim for? A narrative review (but a systematic search strategy is included....), or a systematic review (then the manuscript should be restructured according to PRISMA guidelines). 2. The abstract section is too long.
