JOURNAL EDITOR-IN-CHIEF (ASSOCIATE EDITOR) COMMENTS TO AUTHORS

This is a nicely focused clinical review on the methodology of a particular new therapeutic approach to prostate cancer. However, grammatical or typographic errors can be found here and there, which need to be corrected during editing before publication, e.g. page 5 “treating” vs “treated”; page 9 “In this conditions,”; page 14 “The irradiation fibers are”; page 9 “were assesed”; page 16 “>8 0%”, etc.
