

To whom it may concern

**Title of the study:** Higher volume growth rate is associated with development of worrisome features in patients with Branch Duct-Intraductal Papillary Mucinous Neoplasms

**Name of Journal:** *World Journal of Gastroenterology*

**Principal investigator and guarantor:** Prof. Andrea Galli

This letter is to confirm that “Non-Native Speakers of English Editing Certificate” is not necessary because our paper has already been reviewed by a native English speaker who is part of our study group (Erica Nicola Lynch).

Please contact me if you have any queries.

Sincerely,

A handwritten signature in black ink, appearing to read 'A. Galli'.

**Andrea Galli, MD, PhD, Professor, Chief,** Gastroenterology Research Unit, Department of Experimental and Clinical Biomedical Sciences "Mario Serio", University of Florence, Viale G. B. Morgagni 50, 50134, Florence, Italy.
