

This document certifies that the manuscript

A case of pembrolizumab-induced Stevens-Johnson syndrome in advanced  
squamous cell carcinoma of the lung

prepared by the authors

Jingyi Wu, Jing Yi, Bin Yang

was edited for proper English language, grammar, punctuation, spelling, and overall style  
by one or more of the highly qualified native English speaking editors at SNAS.

This certificate was issued on **December 21, 2021** and may be verified  
on the [SNAS website](#) using the verification code **C368-74FO-520F-5134-OC93**.

Neither the research content nor the authors' intentions were altered in any way during the editing process. Documents receiving this certification  
should be English-ready for publication; however, the author has the ability to accept or reject our suggestions and changes. To verify the final

SNAS edited version, please visit our verification page at [secure.authorservices.springernature.com/certificate/verify](https://secure.authorservices.springernature.com/certificate/verify).

If you have any questions or concerns about this edited document, please contact SNAS at [support@as.springernature.com](mailto:support@as.springernature.com).
