To whom it may concern:

The purpose of this letter is to verify that Zibo Yimore Translation CO. LTD provided the English proofreading services for the following thesis : Amiodarone-Induced Muscle Tremor in an Elderly Patient: A Rare Case Report

Author: **Xiao-Yong Zhu, Xin-Hu Tang, Hua Yu**

The basic language editing including the correction of grammar, punctuation and syntax was performed normatively with our best efforts. And the edited document was returned to the writer on 07/10/2022. We are unaware of any changes or additions made to the manuscript after that time. We have kept the specimen of the received original file in case of any legal dispute.

Sincerely,

Henry Graff
