**Subject: Case report: "Tuberculous
Pericarditis: A silent and challenging
disease. Case report. "**

Dear Sir or Madam:

Allow us to notify you that the investigation committee of the Department of Internal Medicine is aware of the formulation of the case report: "Tuberculous Pericarditis: A silent and challenging disease. Case report. "

We hereby certify a revision with professional translation of the text of the case report described, edited for English by an English-speaking medical editor, endorsed and approved by the Research Office of the Hospital Universitario San Ignacio.

Sincerely,

**OSCAR MAURICIO MUÑOZ,
Research Committee Coordinator.
Department of Internal Medicine.**
