Non-Native Speakers of English Editing Certificate for “*World Journal of Clinical Cases*”

I, Prof. Mohamed El-Kassas, the corresponding author of the review article titled “**Diagnosis, treatment protocols, and outcomes of liver transplant recipients infected with COVID-19**”, declare that the authors of the present manuscript are non-native English speakers, but our manuscript has been reviewed for clarity by a colleague whose native language is English.

Best Regards,

Mohamed El-Kassas
