Dear Editor,

CONFIRMATION OF LANGUAGE PROOFREADING

RE: Endoscopic ultrasound-guided transrectal drainage of a pelvic abscess after Hinchey II sigmoid colon diverticulitis – a case report with literature review By Jan Drnovšek, Žan Čebren, Jan Grosek, Jurij Janež

I hereby affirm that I have diligently and extensively proofread the linguistic quality of the revised version of the research article under reference above.

I am a native English speaker with substantial experience in scientific research editing, and it is my firm consideration that the language of the manuscript in its current form has attained the optimum quality requirements for scientific journal publication.

I make these declarations freely, responsibly, and upon my honour and urge you to accord the article due consideration.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Chiedozie Ugwoke', written in a cursive style.
