

23/03/2023

To Whom It May Concern,

Professor Stephen Malnick and I were born in the United Kingdom and were schooled there before enrolling at universities within the United Kingdom. We are therefore native English speakers and in view of this we request your consideration to waive the requirement for an English Editing certification.

Yours faithfully,

A handwritten signature in blue ink, appearing to read 'D. Fisher', is positioned above the printed name.

Dr David Fisher
