Certificate of English Editing

This certificate confirms that the manuscript below was edited by one or more expert English editors with a PhD. The following issues were corrected: grammar, punctuation, sentence structure, phrasing and limited word-choices affecting accuracy and clarity.

Manuscript title:

“Non-pulmonary involvement in COVID-19: A systemic disease rather than a pure respiratory infection”

Submitted by:

Dr. Mohamed El-Kassas

Date issued:

1/12/2022

Certificate number:

22#LE#084

Head of English Language Services

Fatma Ismail

The English Language Services Department at the RSC specializes in the preparation of manuscripts that are targeted for publication in English journals. We provide editing, translation, formatting services for scientific manuscripts. All manuscripts are edited by one or more professional editors who hold PhD degrees and are natively proficient in English.
