Re: Certificate of Language Editing

Dear Editors,

I am a Professor at Bar-Ilan University, Ramat-Gan, Israel. My PhD is from the Johns Hopkins University, and I have postdoctoral experience in the Psychiatry departments of the medical schools of Cornell and Columbia Universities, all in the USA. I am a native English Speaker and one of the authors of this manuscript, entitled: " Transdiagnostic considerations of mental health for the post-COVID era: lessons from the first surge of the pandemic."

I have checked the spelling and grammar in this manuscript and I assure you that it is at the highest level of English language accuracy. As such, I find this manuscript in accordance with your journal's strict language requirements for foreign authors.

Yours,

Aron Weller, PhD

Professor
