AUTHORS

Chang and colleagues

DATE ISSUED

9th November 2022

CERTIFICATE VERIFICATION KEY

0DFX3-PP477-DF2FC-GGN23

This certificate may be verified by emailing the Certificate Verification Key to certification@nextgenediting.com. This document certifies that one or more of the doctoral-level native English-speaking editors at Nextgenediting edited the manuscript named above for English language, grammar, punctuation, spelling, and overall style. The research content and the authors' intentions were not altered in any way during the editing process. Documents receiving this certification should be English-ready for publication; however, the author has the ability to accept or reject our suggestions and changes. To verify the final Nextgenediting edited version, please email us at the above address.

If you have any questions or concerns about this edited document, please contact Nextgenediting at enquiries@nextgenediting.com.
