***TO WHOM IT MAY CONCERN***

This letter provides the language certificate for the following reference:

World Journal of Clinical Cases

Manuscript NO.: 20710

Column: Editorial

Title: Stroke and sleep-disordered breathing: a relationship under construction

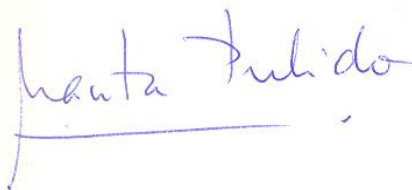

Authors: Olga Parra and Adrià Arboix

I have translated the paper from Spanish into English, edited the paper, adapted the manuscript to the author guidelines of the World Journal of Clinical Cases, and help the authors in all editorial-related questions.

My name is properly mentioned in the Acknowledgements section of the manuscript.

I am officially qualified in Editing and Writing by American Medical Writers Association and further details regarding my background and experience as a medical editor can be found in my web page <http://www.marta-pulido-barcelona.com> where there is also my CV updated and in detail.

Yours sincerely

Marta Pulido, MD, PhD
