

# OXFORD SCIENCE EDITING

26/04/2016

\*\*\* CERTIFICATION OF EDITING \*\*\*

To whom it may concern,

**Re: Scientific editing of a manuscript entitled, "Tooth loss caused by displaced intraoral elastic: unexpected side effect during simple preprosthetic orthodontic treatment."**

Please accept this document as certification that the language in this manuscript has been edited by a suitably trained scientific editor, and has undergone quality control checks by a second experienced editor.

Yours faithfully,

Dr Natalie Morris  
BM BCh (Oxon), PhD (Imp)

Managing Director, Oxford Science Editing Ltd.
